Location

The subject property is located on 101st Avenue, in the heart of the well established Port Kells industrial area of Langley. The building's construction spares no expense featuring an extra thick concrete slab, heavy power supply, six oversized grade loading doors, paint booths and a piped compressed air system. The concrete mezzanine area features men's and women's change rooms, washrooms, kitchen, lunch room and private offices. Additionally, the property features a large truck court, ample parking space, extensive exterior lighting, and a fenced and gated perimeter.

The subject property is ideally situated in the geographic center of the Lower Mainland, within minutes of the Trans-Canada Highway, Golden Ears Bridge and Port Mann Bridge; providing immediate access to all Lower Mainland submarkets and the Canada/US Border.

A full detailed presentation is available for all features.
